- The health of all dogs attending classes is important to us. Heatley Park is a public space and accessible to all dogs, not just those coming to class. Therefore it is a requirement that no dog is brought to class if it has or is recovering from any sort of disease or injury. I declare that my dog's vaccination is up to date.
- Handlers are responsible for their dog's behaviour at all times. Please be courteous to other handlers and be aware at all times of what your dog is doing.
- If your dog has ever shown aggression to another dog or person let your instructor know before the start of class. All incidents must be reported to your instructor and recorded in the incident book.

I agree to abide by the Club's Refund Policy as stated on the Club's website.

Photo Approval: Please sign the waiver below if you have **no objections** to you or your dog being photographed or videoed for our website and other forms of media including our Facebook page.
