When : Thursday nights  
Time : 7.30pm to 8.30pm  
Who for : COCT handlers and their dogs  
Cost : \$5.00

Is your dog ball crazy? Then this could be the new sport for you!  
Your dog must also be able to come to you when called as training is off lead.

Try Flyball because :-

- It's a great way to meet and hang out with fellow dog lovers
- It provides excellent physical and mental exercise for your dog
- Any size or breed of dog can play, including mixed
- It's addictive!

- ❖ Spectators welcome during training sessions
- ❖ Dogs are to be kept within a crate during theory sessions. This helps calm them down from the excitement and you can concentrate fully on what is being taught rather than being distracted by an excited dog. The crate training flier will give you tips on introducing your dog to a crate, and crates can be either purchased or hired.
