

REFUND POLICY

Once you, The Guardian, have submitted your full application and paid the course fee, you are enrolled in the upcoming course and allocated a spot in the Clubs' intake.

To fully complete enrollment and be eligible to start the course, it is mandatory for you to attend the Introduction Talk that is held one week prior to the commencement of the course.

If for any unforeseen circumstances you cannot attend then you must **contact and inform us** with 6 hours notice of your inability to attend so the club has the option to fill your vacated spot.

If you fail to do this we are unable to refund your course fee and you will not be transferred to a course later in the year.

Once you have attended the Introduction Talk, you are deemed to have started the course and no refund or transfer to future classes will be possible.
